Proposals will be opened during the Board of Selectmen’s meeting on May 12, 2014. Proposals cannot be withdrawn for a period of ninety (90) days. The town reserves the right to reject any or all proposals and take such action as may be deemed necessary in the best interest of the town.

Contact Person: For review of the systems or any information please contact Fire Chief Michael Carrier at 603-329-6006 or by email at 46c1hfd@comcast.net.

The Town of Hampstead is seeking proposals to changeover its existing radio box system to an alternative communication system, which includes annual monitoring.

The system can be any reliable and code compliant system that includes AES, dialer, or other.

There are four (4) buildings that need to be changed over.

It is not our intent to get locked in with one dealer for the life of the communicator.

The “Passcode” to all levels of the system’s software SHALL REMAIN THE PROPERTY of the Town of Hampstead. Whereas, the town will own it once it is installed.

In Addition, the communicator shall be a NON PROPRIETARY brand, allowing ANY company to service or maintain, when properly contracted.

Please also include a trade-in value, if any, for all replaced equipment.

Please include a monitoring fee for the following: 1 year, 3 year, 5 year, or 7 year agreements.
