

Request for Proposal  
Town of Hampstead  
Fire Department Communications Equipment

The Town of Hampstead Fire Department is accepting proposals, to design, and install a complete communications system that will enhance the department's communications ability. Packages are available in the Administrative Assistance Office or at [www.Hampsteadnh.us](http://www.Hampsteadnh.us).

All proposals should be submitted in a sealed envelope marked "**Fire Department Communications System**" and addressed to:

Town of Hampstead  
11 Main Street  
Hampstead, NH 03841  
Attention: Sally Theriault, Administrative Assistant

**Proposals must be received no later than 4:00pm on Monday July 23, 2012**

Proposals will be opened during the Board of Selectmen's meeting on July 23, 2012. Proposals cannot be withdrawn for a period of ninety (90) days. The town reserves the right to reject any or all proposals and take such action as may be deemed necessary in the best interest of the town.

Contact Person: Should any questions arise or to arrange a site inspection please contact Captain Maurie Worthen at cell 603-365-6807 [mgwjr@comcast.net](mailto:mgwjr@comcast.net) or Captain Will Warnock at 603-396-3787 or [hfdfpb@comcast.net](mailto:hfdfpb@comcast.net)

**Project**

Design and install a communications system that provides the following:

1. A repeater system that enhances the fire department's current communication network that allows the efficient use of our own frequency.
2. Utilizes the Freedom Hill tower as the primary receiver/transmit (RX/TX) site.
3. Provides all necessary equipment and labor to install system.
4. Other items as necessary to complete project. (see page # 2)
