Meetinghouse

An application was made by the friends of the Hampstead Library for the rental of the Old Meeting House. They asked that we consider waiving the rental fee. This was discussed and was approved with the condition that a donation might be considered. A second request from the Sunset Lake Association was discussed as they were looking for a waiver of the rental fee. This was discussed and it was voted to not approve the waiver of the fee.

Museum

Passanise is seeking three electrical bids for the wiring and installation of new fixtures. The work of repairing and sealing the walls can then be tackled. This work is ongoing for the best deal possible. We are still waiting for quotes

Old Business

No Old Business was on the agenda.

New Business

The Hadley Road subdivision was discussed as this is on the agenda on Monday's planning board meeting. The commission feels that there should no removal of any existing stone wall due to their historic nature. Rob Morris agreed to attend the meeting to discuss the stone walls if necessary
