The Communication Committee's purpose is to manage and update the Town of Hampstead NH's Website. We offer technical assistance for other Hampstead groups to update their own web pages. We are the megaphone with the goal of offering current content and transparency for the public.

Each Group on the Town of Hampstead's website has their own page(s). We are not attending their meetings but will reach out to their contact for updates (if we are the editors of their web pages).

Fun fact:

Jodi is an Admin on the Facebook Hampstead NH page.
